Thanks. At a minimum he talked to you.
Next steps by EHS are? Or, do you need time to think through EHS options?
Thanks and good luck with everything.
Not easy and your trying hard.

They do not feel the current master plan would let us proceed with a modified stadium.
Night use is the issue and it is in their mind a new or different usage. They recamend we
continue to work with neighbors for an agreement.
They feel we eliminated the issues of traffic, parking and lights. Usage, number of events
and sound are the two they feel we may need to limit and work on.
